

Confidential Disclosure Agreement
For
University of Kansas
Proposal Evaluation and External Review (PEER) Program

I certify that I fully understand the confidential nature of this review and agree:

- (1) To destroy or return all materials related to the proposal;
- (2) Not to disclose or discuss the proposal, or my review with any other individual, except as authorized in writing by the Principal Investigator;
- (3) not to use information contained in an application or proposal for my personal benefit or make such information available for the personal benefit of any other individual or organization;
